Managing and coaching require a lot of time and dedication. Regular season practice schedules include 3 nights of practice per week with games on Saturdays. In addition to this time commitment, there may be situations requiring assistance with sign ups, equipment distribution and collection, field set up and breakdown, or attendance at clinics or board meetings. In light of this information, describe how you plan to help the association and how we will improve based upon your participation.

I have read, (or agree to read,) both the TYFSF Rule Book and Administration Manual and the Wildcat Association Handbook, (which include the Wildcat Bylaws, Spirit Constitution and necessary forms.) I also agree to abide by all Federation and Association rules, regulations and guidelines, whether I agree with them or not.

Initial _____

As a condition of volunteering, I give permission for the TYFSF and the Wildcat Association to conduct a background check of my criminal history. The background check will include fingerprinting and the review of the following registries: sex offender, child abuse, domestic violence and general criminal histories. Furthermore, I hereby release and hold harmless the officers, employees and volunteers of the TYFSF and the Wildcat Association for any information that may be provided or released about me concerning this application.

Initial _____

In addition, I understand that the TYFSF and the Wildcat Association are not obligated to appoint me to any position regardless of prior appointments or assignments. I am also subject to suspension or removal by the Board of Directors of either governing body for violations of TYFSF or Association rules, regulations or policies.
